

# Getting the most from your **Go Girl Bag**

Extra large section for books with separate padded laptop compartment — slings keep the laptop cradled and give extra protection

The interior is completely lined with waterproof fabric

Two zipper pulls, so the bag works if you are right-handed or left-handed

Pen loops and an extra zippered pocket inside the large pocket

Separate pockets for your cell phone and iPod — the headphones can be threaded through the end of the pocket

Mesh pocket for your water bottle

The Go Girl Bag — the fun, funky and functional messenger bag young women have been looking for
